Marian wakes about 07:30 John having gone to work driving his taxi about 06:30 am, so Marian in only her birthday suit John's dried jizz still in her thick black pubic bush after they had fucked before he had gone to work, Marian makes her way to wake her step son up the very same way she has always woken him up and his dad. Marian decides to offer her step son her thick hairy bush before she starts fucking her stud step son who like his dad and her many male lovers she meets on the internet was a well hung male.

Marian walks in to her step son's bedroom finds him still asleep

so she pulls the sheets off followed by his boxers so that she can now see his semi erect cock and starts wanking her step son to a full erection with a hand job, Marian's hand relief soon had the desired effect as it starts to wake her step son who on being full erect asks 'step mum what the fuck is going on?' 'Easy your going to fucking getting your fucking cock sucked!' Marian replied as she stops wanking her step step son's cock, then wraps her red glossy lips around the shaft and gives her own sun a blow job.

After a short while of sucking her step son's cock Marian takes

him out of her mouth grins 'step son its time to fuck Mummy's
fucking hairy bush as she is now fucking gagging for the
birthday boy!' Marian remarks.

'OK step mum you know how much I love fucking dipping my
dip stick in your hairy bush as we fuck!'

'You do you dirty little fucker!'

Gareth gets up off his bed then lets his mother lay down,
Marian still playing with her self but this soon stops as Gareth
lays down his face between his step mum's thighs licking her
hairy thatch to orgasm, Marian soon starts to scream as

orgasm after orgasm rips through her body, every time Marian would climax she would pin her step son's face to her bush her head thrashing wildly from side to side as well.

After a short while once her fourth orgasm had subsided away Marian releases her hold pinning her step son's face to her soaking wet bush removing her hands and remarking 'Hope your still nice and fucking hard step son as mummy requires you to dip your wick in her hairy wet slit!'

Gareth looks up at his step mum with a grin replies 'step mum after eating your fucking hairy minge I am just fucking roaring to

fuck my step mum once again in her hairy wet hole!' as he mounts his step mum slipping his hard cock in to his step mum's soaking wet hole.

They then start fucking on his mums bed Gareth pumping his mums pussy and as he bangs her hard she moans 'Oh step son I forgot how good incest with you is!' then a short while later Marian screams as orgasm after orgasm rips through her body the same way as when his dad fucks his step mum or some of Gareth's dads mate dip their wicks after Marian has put lip stick on their dip sticks in a gang bang orgy, as Marian thrashes her

head from side to side as she screams Gareth just keeps on fucking his step mother the springs singing their tune that they sing when Marian gets fucked on the bed, the head board hitting the wall.

Then the background noise of the bed springs plus the headboard and Marian's screams of sexual pleasure are broken by the sound of her step son moaning 'Jesus Fucking Christ step mum your incest loving step son is fucking cum in your fucking hairy wet fuck tunnel!' as he cums pumping his creamy hot liquid deep in to his step mum's cunt. 'That's it step son

fucking cum in mummy's fucking cunt like a good step son do as mummy tells you!' Marian screams as she yet again orgasms, Marian still feeling her step son's jizz hitting the insides of her hot wet well fucked pussy. 'How can some thing be so good with a step son like you!' Marian says to her step son.

After Gareth finishes cum in his mums hairy wet well fucked Milf nurse cunt he lays down beside his step mum and they share a kiss with full tongues. 'step son those lessons with your sex starved milf nurse step mum has made you such a fucking

stud in bed!' Marian remarks as she thrusts her step son's hand between her thighs.

'Step mum your pussy is a good fuck and I love your wet hairy bush!'

Gareth replied as he slipped a finger in to his mums pussy and started wanking her soaking wet pussy her to yet another orgasm before Marian remarks 'Yes step son you have got a good sex teacher in your step mum and I believe its the mums role to teach their step son the art of fucking even if it means he practises on her has wanking over mags of females dose not

teach him how to make her wet!"

'step mum before I started fucking you I would regular finds
dads readers wives mags have a wank over them especially if
you was the centre spread fantasising about dipping my wick or
having you put lip stick on my dip stick just to stop me wanking
over your thick hairy bush step mum!"

'You dirty little fucker knocking it out over your step mum in a
readers wives centre spread just like all those perverts who buy
the mag so that can get their rocks off!' Marian remarked as she
kisses her step son again this time with a full tonsil tennis

session.

Gareth removes his hand from his mums bush after making his step mum cum once more, they then lay naked in each others arms not like mother and step son but like lovers for a short while their entwined bodies covered in sweat then Marian kisses her step son again gives hers step son's cock a kiss then gets off her step son's bed kisses his lips 'Mummy is off to freshen up in the shower and by the way she is still fucking gagging for some more action with her well hung step son so if you want you can join step mum in the shower and may be

when you next see Caroline you can boast how you fucked step mum in the shower and turned her in to a quivering slut!' Marian remarks as she heads across the landing to the bathroom while playing with her soaking wet bust and rock hard nipples, while leaving her step son laying on his bed stroking his rock hard cock and a sexually motivated grin of pleasure on his lips.

After a few seconds while still stroking his cock Gareth gets up off the bed and follows his step mum to the bathroom, Marian steps in to the shower after turning it on and as she stands

under the tempered water she founds her nipples getting even more sensitive and the feeling of the water running off her bush made her want to play with her self, as she starts to play with her self her step son enters the bathroom. Gareth enters the bathroom his left hand wrapped around his cock wanking hard as he walks stops outside the unfrosted glass of the shower door facing his naked step mum who is playing with her hairy bush under the shower Marian on seeing her step son perving on her wanking under the shower while he also had a good wank just like his dad dose when he watches Marian shower he

had even put a secret camera in filmed Marian showering and put it on the internet.

Soon both Gareth and his step mum start moaning, panting and Marian even screams as they both climax Marian her eyes closed now a quivering sexual wreck on the floor of the shower Gareth jizzing all over the plain glass, his load running down the glass in strips leaving a slug like train as it goes. Once Gareth finishes cum in he opens the glass door of the shower steps in helping his step mum back to her feet after she had recovered from her orgasm.

After Marian had recovered from her self induced orgasm she kisses her step son on his lips her tongue once more down his throat.

'Now you have taken your step mummy up on the shower offer get on your fucking knees and clean mummy's fucking cunt with your tongue to fucking start as mummy wants her expert fucking rug fucking muncher to make her fucking cum once more!'

Marian remarks as she forces her step son on to his knees by his shoulders in the shower.

'With fucking pleasure step mum I will give you another fucking

orgasm with my fucking expert tongue and my fucking rug
fucking munching!' Gareth replied his face now level with his
mums furry black triangle the shower water running off her thick
black pubes that he is soon licking his tongue parting his mums
pussy lips as it dips deep in to her wet hole.

'That's it step son eat mummy's fucking furry triangle, don't
fucking stop step son mummy is going to fucking cum. Oh fuck
step son mummy is fucking cumin!' Marian screams in sexual
pleasure her whole body shaking as her own step son give her
a good muff dive in the shower Marian pinning her sons face to

her bush.

Once Marian had finished orgasming she releases her sons face from her bush lets him stand up, as he stands up Gareth had become erect so before she goes down to give her step son a blow job under the shower she kisses her step son tasting her own pussy on his lips as she gives his cock a few hard tugging strokes then sinks to her knees to give her step son a blow job under the shower the same way she would have done his dad if he was here instead of her step son. After a short while Marian stops giving her step son head stands back

up, soon her sons hands are grabbing his step mum ass lifting her up he then lowers his mums hairy wet pussy down on to his fully erect cock and with his mums legs now wrapped around his waist they start fucking under the shower Marian moaning, panting, screaming as orgasm after orgasm rips through her mature body, Marian's screams of pleasure continues until it becomes too much for Gareth, he moans then fills his step mum's pussy once more with his creamy jizz.

After he had finished cumming he lowers his step mum back down to the floor of the shower where they once more share a kiss

before getting out of the shower to dry them selves down and then has Gareth dresses his step mum in only high heels heads down stairs to make breakfast for the two of them before Gareth heads off to college leaving his step mum alone in the house with only her vast dildo collection for company and the new inflatable hot tub his dad bought last month for sex.

'Well budge up I need to shower again after my step son just made a fucking mess of my pussy with his fucking jizz!' Marian replies as she steps in to the shower still wearing the white
